

Petco Announces \$650,000,000 Offering of Senior Secured Notes

January 21, 2026

SAN DIEGO, Jan. 21, 2026 /PRNewswire/ -- Petco (Nasdaq: WOOF) today announced an offering of \$650,000,000 in aggregate principal amount of new senior secured notes (the "notes"). Completion of the notes offering is subject to, among other things, pricing and customary closing conditions.

Petco intends to use the net proceeds from the sale of the notes, together with borrowings under a new term loan facility and cash on hand, to repay in full its existing term loan facility, to pay related fees and expenses, and for general corporate purposes.

The notes will be guaranteed by Petco's subsidiaries that guarantee its credit facilities (the "guarantors") and will be secured on a first-lien priority basis by security interests granted in Petco's and the guarantors' fixed assets and on a second-lien priority basis by security interests granted in Petco's and the guarantors' current assets. The notes and the related guarantees will be: effectively senior to any of Petco's and the guarantors' existing and future unsecured indebtedness and indebtedness secured by liens junior to the liens securing the notes, in each case, to the extent of the value of the collateral; effectively equal to all of Petco's and the guarantors' senior indebtedness secured on the same priority basis as the notes; effectively subordinated to any existing and future secured indebtedness of Petco and the guarantors that is secured by liens on assets that do not constitute collateral to the extent of the value of the assets securing such indebtedness; and effectively subordinated to any existing and future senior-priority lien indebtedness of Petco and the guarantors, to the extent of the value of the current asset collateral securing such obligations.

The notes to be offered will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any other state securities laws. As a result, they may not be offered or sold in the United States or to any U.S. persons, except pursuant to an applicable exemption from, or in a transaction not subject to, the registration requirements of the Securities Act. Accordingly, the notes will be offered only to persons reasonably believed to be "qualified institutional buyers" under Rule 144A of the Securities Act or, outside the United States, to persons other than "U.S. persons" in compliance with Regulation S under the Securities Act. A confidential offering memorandum for the notes will be made available to such eligible persons. The offering will be conducted in accordance with the terms and subject to the conditions set forth in such offering memorandum.

This press release is neither an offer to sell nor a solicitation of an offer to buy, nor shall there be any sale of, these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.
