SAN DIEGO, May 4, 2021 /PRNewswire/ -- Petco Health and Wellness Company, Inc. (NASDAQ: WOOF) today published its 2020 Annual Report for the fiscal year ended January 30, 2021. The report is available in the investor relations section of Petco's website at <https://ir.petco.com/investor-relations>.

"This past year was a defining one for all of us at Petco as we served pets and pet parents in more ways than ever before," said Ron Coughlin, Chairman and Chief Executive Officer of Petco. "Our unique model and commitment to purpose driven performance drove strong results in a category that is experiencing significant growth. Leveraging our innovative health and wellness ecosystem and transformed digital platform, we quickly adapted to the changing environment and launched new, socially distanced offerings like curbside pickup, same-day delivery and online training. These capabilities, combined with our continued aggressive build-out of our services platform, including our veterinary care offerings, are key strategic differentiators for Petco moving forward. I would like to thank our more than 27,000 passionate Petco partners for their hard work and commitment to Petco's continued success."
